

Fashions & Florals

Coral Gables Garden Club

Dear Friends,

Celebrating its 99th year, the Coral Gables Garden Club is thrilled to announce our **3rd annual Fashions & Florals fundraising event, *A Night at the Museum*, set to take place at the iconic Coral Gables Museum** on the evening of **April 19th, 2024**. This year's soirée promises to be an extraordinary extravaganza as we transform the museum's outdoor spaces into an enchanting cocktail affair featuring an avant-garde fashion show from internationally known designers with designs inspired by nature.

We are delighted to partner with alumni from the **Miami International University of Art and Design**, such as Rene Ruiz, Julian Chang, Danny Santiago (stylist of *Sex and The City*), and more. **This university** had been a mainstay of Design, Fashion, and Media Arts education in the heart of Miami since 1965.

Founded in 1925, the Coral Gables Garden Club, a 501(c)3 organization, supports the Coral Gables community through various projects, **civic beautification, habitat restoration at Camp Mahachie, garden therapy programs for children and adults, tree planting through Project Canopy and planting pollinator patches and edible gardens to grace our local schools and neighborhoods**. Past initiatives include building three entrances to the City of Coral Gables and raising funds for the George Merrick Statue and the Althea Merrick Statue at the Merrick House Museum. You can learn more about our past and present projects by visiting our website at www.coralgablesgardenclub.org.

Take advantage of this exquisite evening of fashion, floral, and philanthropy. Join us for *A Night at the Museum* for cocktails, delicious fare, lively music, and a great auction. In addition, you will have the opportunity to view an NGC Standard Flower Show in the museum's community room. The proceeds from this event will serve as the lifeblood of our organization and our ongoing community projects and programs, ensuring their continuity and further expansion. **Please consider supporting our Fashions and Florals Event with your generous sponsorship. Please see sponsorship opportunities on the following page.**

With gratitude,

Barbara Reese
