

Plant-A-Tree Donation Form

Formerly known as 'Penny Pines'

These donations are used by the USDA Forest Service to plant trees in US National Forests. You may choose to have your donation go where it's most needed or you may select a National Forest; however, the Forest Service reserves the right to utilize funds based on need. If you choose a forest where no tree planting is needed, funds may be used for planting on another forest.

As of **May 31st, 2025**, NGC will no longer be providing mailed certificates and will be moving to a digital alternative. Email addresses will be required with each donation so that NGC can send tax receipts via email as well as the instructions/links for digital certificates. These digital certificates will be customizable and allow donors to print out their own digital certificate if desired. NGC believes this will not only be better for the environment, but also will allow donors to get certificates quickly and more efficiently. In the meantime, NGC will still fulfill physical certificate requests; however, donors are encouraged to "Go Green" and utilize the new paperless method. Please email headquarters@gardenclub.org for questions. We thank you for your patience and understanding during this transition.
